DRIVER SEATS FOR TRACTOR, FORKLIFT, AGRICULTURE AND SPECIAL VEHICLES

Comfortable and Durable!

- Seat and backrest upholstery combining different setting functions are available.

- **Wraparound backrest and seat raised at sides to ensure good holding even when travelling over rough or sloping terrain.**

- Expanded polyurethane padding with washable PVC covering.

- **Metal structures protected against corrosion with electrostatic powder coating in conformity with the quality standards of the EU industry.**

- The height and weight in the mechanism can be easily adjusted with just a few quick movements. The control elements are functionally arranged and easy to use.

- **Every detail (low friction joints, bearings, materials, settings, painting, strength, dynamic response, comfort, etc.) has been designed with special care in order to increase the reliability and the product life span.**

PVC Sealing Strip Problem

Without PVC Seal Strips

Backrest - Seat Top Cushion
